## Project Title: Marina and the Diamonds (Marina Diamandis)

I would like this site to be built as multiple pages showcasing the different eras of Marina and the Diamonds (with the navigation bar across the top). Most of the textual information can be found on the Wikipedia page and I her website and blog can help give you a feel for each era's vide (which should help you with color schemes and styles per page).

- **Home/Intro Page**
  - Early life
  - Musical style and influences
- **Era 1: The Family Jewels**
  - Overall style/vibe
  - Track listing/ album cover
  - Notable lyrics
- **Era 2: Electra Heart**
  - Overall style/vibe
  - Track listing/ album cover
  - Notable lyrics
- **Era 3: Froot**
  - Overall style/vibe
  - Track listing/ album cover
  - Notable lyrics
- **Sources**
- **Footer on each page**
  - Icons that link to her social media and website
  - Link to sources page
